

RoamDigi (eSim Provider)

We are a leading eSIM provider offering seamless, digital connectivity solutions for your mobile devices. Our eSIM technology eliminates the need for physical SIM cards, allowing you to activate mobile plans instantly and switch between carriers with ease.

About Us

At ROAMDIGI, we empower wanderers with seamless connectivity anytime, anywhere, redefining how you stay linked in a bold digital age. Our cutting-edge eSIM solutions fuel your adventures with unmatched value and freedom, backed by a 24/7 support crew that's got your back wherever you roam. As planet protectors, we're slashing our carbon footprint to preserve the world for future dreamers. Your peace of mind is our masterpiece—crafted for effortless, stress-free travel. Welcome to ROAMDIGI's new era of exploration!

Your Seamless Travel Connection

RoamDigi is one of the top-notch eSIM stores that knows how to stay connected while traveling. From digital alternatives to traditional SIM cards, we offer innovative and stress-free solutions to our customers. RoamDigi allows you to instantly download and activate data packs in more than 200 countries and regions.

So, RoamDigi is here to say goodbye to roaming fees and connectivity hassles with seamless global data from the moment you land.

200+ (Countries & Regions), **44+** (Countries with Local Teams), **6** (Continents Covered)

Our Mission

RoamDigi empowers travelers with hassle-free, global connectivity. We facilitate our customers by breaking down the hurdles of traditional roaming and offering them a smarter, simpler way to stay connected.

Our diverse professional team aims to connect and open its wings across 44+ countries and six continents. We believe that inclusion, diversity, and equity can revolutionize the way people experience travel and technology.

RoamDigi is with you wherever your journey takes you and promises you're always just a tap away from staying connected.

What is eSIM?

An eSIM is an embedded SIM that allows you to download and activate mobile data plans without a physical SIM card, providing flexibility and convenience.

How Does RoamDigi eSIM Work?

RoamDigi makes staying connected effortless by providing eSIM plans for seamless global travel. Simply select your destination and region on our website, choose a data plan, and purchase your eSIM. After receiving your QR code, activate your eSIM with ease and enjoy instant connectivity.

What are the benefits of using a RoamDigi eSIM?

There are several benefits of using an RoamDigi eSIM to stay connected when you travel.

Here are a few to keep in mind:

- Access eSIMs for 200+ countries and regions.
- Connect with local, regional, and global plans.
- Instantly activate a network at your destination.
- Avoid expensive roaming charges.
- Store multiple eSIMs on your device.
- Top up easily via the RoamDigi app.

How do I know if my device supports eSIM?

Check your device specifications or verify with the manufacturer. Most modern smartphones, tablets, and wearables support eSIM.

How can I buy an eSIM from RoamDigi?

Visit the RoamDigi website or app to purchase your eSIM for travel.

How do I activate my RoamDigi eSIM?

- Purchase a data plan from RoamDigi.
- Scan the QR code sent via email or your dashboard.
- Follow your device instructions to install the eSIM.
- Start using your data plan.

Can I keep my existing phone number?

Yes, you can keep your existing phone number active on your primary SIM. RoamDigi's eSIMs are typically used for data-only plans, so your number remains available for calls and messages.

What customer support is available?

RoamDigi offers 24/7 customer support via live chat, email, and the support section of our website. We are here to help with any questions or issues you may encounter.

How can I manage my eSIM account?

You can manage your eSIM through RoamDigi's app or website. First, view your data usage, then extend your plan, or purchase additional data packs all from one user-friendly platform.

What happens if I change my device?

If you switch to a new eSIM-compatible device, you may need to transfer or reactivate your eSIM. Contact our support team for assistance. Some plans may require purchasing a new eSIM profile.

How secure is the eSIM activation process?

RoamDigi uses industry-leading encryption and adheres to strict global security standards to ensure the safety of your data and the eSIM activation process. Your information is always protected from unauthorized access.

Privacy Policy

At RoamDigi eSIM, we are devoted to safeguarding your privacy and ensuring the security of your personal information. This Privacy Policy explains how we collect, use, and share your data when you use our website or mobile application (hereafter referred to as the 'App'). By accessing or using the RoamDigi eSIM App, you agree to the terms outlined in this Privacy Policy.

1. Information We Collect

Personal Information: When you create an account, make a purchase, or use the App, we collect personal details such as your name, email address, phone number, billing information, and payment details.

Device Information: We collect information about the device you use to access the App, including its type, operating system, settings, and unique device identifiers.

Usage Information: Details about your interactions with the App, such as access times, pages visited, links clicked, and features utilized, are also collected.

Location Information: With your consent, we may gather and use your location data to provide location-based services.

2. How We Use Your Information

Providing Services: To process your purchases, manage your account, and deliver the services available through the App.

Improving the App: To analyze user interactions and enhance the App's functionality and user experience.

Communication: To send service-related updates, notifications, and promotional materials.

Security and Fraud Prevention: To safeguard your account and prevent unauthorized access or fraudulent activities.

Legal Compliance: To adhere to legal requirements and respond to lawful requests from public authorities.

3. How We Share Your Information

Service Providers: Your information may be shared with third-party service providers who assist us with payment processing, data analysis, customer support, and other services.

Business Transfers: In the event of a merger, acquisition, or sale of our assets, your information may be transferred as part of the transaction.

Legal Requirements: We may disclose your information to comply with legal obligations, enforce our terms, or protect the rights, property, or safety of RoamDigi eSIM, its users, or others.

Aggregated Data: We may share anonymized or aggregated data, which cannot be used to identify you, for research, marketing, or other purposes.

4. Data Security

Protection Measures: We employ technical and organizational measures to safeguard your personal information against unauthorized access, misuse, or disclosure.

Data Retention: Your data is retained only for as long as necessary to fulfill the purposes for which it was collected or as required by law.

5. Your Rights

Access and Correction: You can access and update your personal information. This can be done directly within the App or by contacting us at the provided email address.

Deletion: You may request the deletion of your personal information. Please note, however, that certain information may be retained as required by law or for legitimate business purposes.

Opt-Out: You can opt out of receiving promotional communications by following the unsubscribe instructions included in the communication or by contacting us at the provided email address.

6. Children's Privacy

Age Restriction: The App is not intended for individuals under the age of 18. We do not knowingly collect personal information from users under 18. If we become aware of such data being inadvertently collected, we will promptly delete it.

7. International Data Transfers

Global Operations: Your data may be transferred to and processed in countries outside your own, where data protection laws may differ.

Safeguards: We ensure that your personal information is treated securely and in accordance with this Privacy Policy and applicable data protection laws.

8. Third-Party Links

External Sites: The App may contain links to third-party websites or services. We are not responsible for the privacy practices of these external entities.

Third-Party Policies: We recommend reviewing the privacy policies of any third-party websites or services before providing them with your personal information.

9. Changes to This Privacy Policy

Updates: This Privacy Policy may be updated periodically. Changes will be effective immediately upon posting the revised policy in the App.

Notification: Significant updates to this policy will be communicated via the App or other appropriate means.

10. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us at **info@roamdigi.com**.

By using RoamDigi eSIM, you acknowledge that you have read, understood, and agreed to the terms outlined in this Privacy Policy.
